Had a date with J. L. Rorison. Florence came in and stayed for quite a while. Went to Merrimon's for dinner. Left early and came on home. Found Hank, Winnie & Basil here. I met them up town later and we went to the movies. Met up with Adelaide and we all went around to the Candy Kitchen. I had to skip afterwards & did not have time to go to A. Porter's the dansant or Brown's egg nog party. Whitford & Grant Pratt came in tonight to say good bye. Have been awfully busy packing ever since

Was busy all morning. Steve Bruce & E. Williamson came around to tell us good bye Mr. Child stayed for dinner Hank & Basil came around after dinner. Left Asheville at 4:10. Dad came as far as Spartanburg with us. Hate to leave Asheville but certainly am glad to go to Florida.

In Clearwater at last! arrived this morning on time. We all are crazy about the house. Have unpacked and straightened up every thing. Bits and I went up town this afternoon. We wore winter suits & everyone else had on summer clothes. It was awfully hot today. Haven't seen any Dunkeden people yet except Victor Mangat Mr. Douglas & Mr. Yorell as we passed through this morning. Clearwater has certainly improved in the last five years!

We walked to Dunedin this morning. Mr. Sam Young picked us up in his car before we got there. Saw all the old citizens & took dinner with Mrs. Whitfield. Dunedin has changed more than any place I have ever seen but I don't like it as well as I used to. Dr. & Mrs. Badeau were the most natural looking of any thing there. Mr. Brumley brought us home in his boat. It seemed mighty good to sail again. Miss Conkie called this afternoon. Wrote twelve letters this afternoon and to night. That Clearwater band keeps me awake at nights.

Mrs. Jones (Miss Annie Williams) called this afternoon. She is looking fine. Bits has tonsilitis. The doctor has made several visits, but she is improving right along. Has had a high fever which has gone down tonight. Have not met any young people yet, but am enjoying myself just the same

Another warm drowsy day. Bits is better. My pink silk dress came today and a box of candy from Hank. I have sewed and read most of the day. Mrs. Ross, Mrs Aitken & daughter called this afternoon Mr. & Mrs. Bast came late & stayed for quite a while. Manila & I walked to the post office after supper. — The moon stars & palm trees were the prettiest things I have ever seen.

My Birthday

To day is my birthday! It has been cold, rainy and gloomy all day. Beth is still in bed, but is much better. Mama bought me a picture frame and a box of candy. Mama and I took a walk this afternoon through "Harlow Oaks" and a lovely birthday cake was waiting for me on my return. I cut the dime. I finished "Felix O'Day" and have begun work on one of my own. The tramp is progressing fine, has made over $ dollars today. Have been sewing on curtains & covers on & off all day. Mrs. & Miss Constantine called this afternoon, also Mrs. Dickerson & Mrs. McClung. Have written to Sarah and Miss Gascoigne. Had a funny letter from Elizabeth this morning.

Nothing doing all day! Sewed all morning. Mame and I started to the Country Club this afternoon, but it began pouring down rain so we couldn't budge out of the house. Am going to bed early tonight.

The Tramp has gone to Dunedin, but I don't think he will stay. Mrs. Fitzpatrick from St. Paul came early this morning & she & Dr. Bodeau had luncheon with us. Mrs. Bivens called this afternoon and after that Mama & I went up town & then to the dock to watch the sunset which was beautiful. Mrs. Bass came over after supper & stayed quite a while. I gave Clara a dose of castor oil tonight.

The tramp has gotten a job with Harry Constantine. Mrs. Bass took us to Dunedin this morning in the car. Wrote some letters. Went for a walk this P.M. with Mrs. Bass, Mrs. Dickerson & Mrs. Harrison. Went to bed at 9:45.

Went to church this morning with mama & Mrs. Bahs. Mr. Barker, Mrs. Lyle and others called this afternoon. Went down to Belleview for dinner tonight, with L. They got into an argument about the telephone. Went to the movies with Bess & Victor. Saw "Neal of the Navy" and a Clearwater picture. Am awfully sleepy tonight and am going to bed early.

Went over to call on Miss Trent but she was studying & was not able to come down. Her brother walked home with mama & me & her & I walked down to bay & watched sunset. He is one fool! Mr. Maloney called tonight. He is awfully nice & seems to be a good sort of a man. Victor Mangel & Frances Skinner came too, & Frances called up but I told him I had a date, but the fool came on anyway. He brought me a nice box of candy anyway.

Have stayed at home most of the day and rested. Went to ride to Tarpon tonight with Mr. Guy Johnson & Ely and Miss Johnson & Bids. Got drinks at the drug store and peanuts & pop corn at Greek stand. Had right good time & certainly do think Mr. Guy is good looking & attractive..

At about 5 o'clock Mama & I went over to see Cornelia Elliott & Elizabeth White. Mr. Malone called up to make a date for to morrow night. Mr. & Mrs. Bass called tonight. Dad is making me go to bed early.

Bills and I played tennis this morning & when we came home we went over to Mrs. Gaines to sew. Nothing happened much this afternoon. I rested most of the time. Went to dance at pavillion tonight with Mr. Maloney. He was all dolled up in white trousers & shoes. The crowd was rather tacky and I think it will be my last trip there judging from the arguments between the drunken people. I had a good time all the same. Mr. M- asked me to go to Bellevieu with him tomorrow night, but I am going on Petrie's picnic.

Mr. H. Scharrar called on us this morning. He is the same as ever & does not look much older. Have just come in from Pearce's picnic where I had the time of my life. Six carsfull of people (22 in all) started for Wall Springs at 3 o'clock. Stopped by grove & picked some wood oranges. Had a sad accident!! Francis Skinner & Vicky Mangat came to call, but I could not keep the engagement as I felt too badly. Went over to Mrs. Barnes this morning. Mr. Forman & Mr. Farrell came in & Mr. G- stayed for lunch. Did nothing much all afternoon. Mr. Cowles called tonight. He is awfully nice and I like him fine. Went to the movies & then to Stewarts. We sat in the swing on the porch and talked until after eleven. The movies & vaudeville were so lousy we had to leave early. I like Mr. Cowles better than any man I have met in Florida.

This has been a quiet lazy day. Sewed most of the morning & danced the Grapevine Twist. Mama, Mrs. Bass & I went over to see the Constantines this afternoon, but nobody was home, so we talked to "Polly" for a while. We came on back over to Bass's & stayed a while. Saw "The Diamond from the Sky" which was fairly good.

Walked down to Bellmeads this morning with Mama, Dad, Will Candler, Clifford Coulter, Mr. Goodman. It was awfully cold & a strong north wind was blowing. We listened to the music for an hour & walked back through the woods. The Bellmead people are certainly one ugly crowd of folks! I slept all afternoon. Went to a little informal party tonight over at Hyde's with Mr. Gray. I played bridge with Mr. Maloney almost the whole evening & we beat every body who came to our table. We came home after 12 o'clock. Mr. Gray is surely one attractive man.

Started about 9:30 this morning for Tampa with Mrs. Pyle, Mrs Bowen, Cornelia, Elizabeth and "Dude". We trimmed around the stores until lunch time. Took lunch at a nice drug store and then afterwards went to the movies. Did not see much "Sasparilla" which we mainly went to see, but had a good time all the same. The sun set was beautiful on the way home. We bought several toy balloons, but they did not last. Saw Pete Randolph & Frances Skinner. Mrs. Bass took us to the movies tonight and afterwards Mr. Cowles came to call.

met Rabb Zimmerman this morning on way for mail. He walked on home with us & then Miss Taggart, Mrs. Bass, Nell Candler, Bill Clifford & I walked as far as "Stevenson's" bridge with Rabb. Miss T—, Nell, Clifford, Nell & I went in swimming this P. M. at Candler dock and then we afterwards had tea with Miss Taggart. Nell & Clifford had supper with us. Porter & Rabb came about seven O'clock and mama took us all to the movies & to Stewarts afterwards. Have just told Clifford good bye, and in a way I hate to see him go. He is mighty nice. very crazy about him.

at 10:30. Thank Goodness!

Mrs. Bass took Mama & me to Dunedin in her car this morning. Stopped by Grace & McClungs and then at Pattons. Mrs. Hazzam & her niece Miss Hunt called this P.M. also Mrs. Ridder & Mr. Wald. Mama & I went to see the Constantines but they were not in so we called on Miss Kleser. We all went over to Mrs. Dickersons tonight to see how her new dresses looked on her. They were fine. Mr. Child Hazzam reading us "Eve Darrie" tonight! He ordered some beer this afternoon. It surely tasted good!

It has been awfully warm all day long. Stayed at home this morning and sewed. Later on Mrs. Hyle, Mrs. Smith & "Dude" came in to see us. Mr. Goodman was here most all morning. Went to a little bridge party this afternoon over at Mrs Candler's. Certainly had good things to eat. Margarite Stolz won first prize & Mrs. Weldon cut consolation. Played with Mrs. Auracher all the time. She's one good looking woman! Mr. Bird took us to the movies tonight. Saw "Who Pays?" which could have been better. Met L. Johnson, C. Maloney & H. Guy. They were just riding by themselves. Saw Donald Alvord in front of Post office!

Stayed at home this morning and wrote letters most of the time. Went up town to get my shoes. Met Mr. Guy & had a nice little chat with him. Mr. Child, Mr. Goodman, Edith & I sailed over to the Gulf this afternoon for a swim. It was fine and there were lots of people over there. Were almost becalmed on way home. Mrs. Dan took us to the movies tonight which were very good. We went to Stewarts afterwards.

Went over to island this morning with Mr. Child & Dad. Had no breeze going over worth speaking of. The gulf was fine. Mr. Goodman with two lady friends were there. Had dandy breeze back! Mr. Child took all of us & Mr. Bass to a base ball game this P.M. between Clearwater and Southerland College & - College ~~beat~~ with by big score. Rabb came tonight and left in time to catch 9:50 train. Thank gracious the train goes then instead of later. We walked down to get the mail about 10 o'clock. Want to get a good night's rest for the picnic tomorrow

Mrs. Kyle gave a big picnic to day. She hired the "Sea-Mc" and we went over to "Shell Island". There were about 25 in the party. We went in swimming before dinner. Such a spread as we had! I have never seen so much to eat in my life. We fished after dinner & I didn't catch anything but a little minnows. We left the island about 4:30 & after we got home Mr. H. ordered some beer and we were duly refreshed. The sun burn that I received while fishing did not begin to hurt till supper-time. Ouch! Oh! My! Helen! Mr. H. & I took in the movies to-night.

Bets & I went to Candlers this morning to go in swimming. She & I went up town that afternoon & met Nell & Miss Taggart. They took us to Stewart's. Mr. Child took us to the tent show tonight to see "The Perils of Pauline" which were about as brave as they make 'em. Mr. Malone called up tonight to ask to take me to movies. He & Mr. Starrett were going — also C. Elliott. Am sorry I could not go because I would have enjoyed being with them. I ate a platter full of ham & egg all over Mr. Child tonight. He was a good sight when he got up with lettuce, ham & eggs all over him.

The Bases took all of us over to Scharrars to day for the whole day. Father & Mr. Bass caught some lovely red fish, but Bill & I did not get a bite. We had a mighty good lunch & left there at about 4:30 Mr. Bass took supper with us tonight. I am awfully tired & sun-burned & am glad to go to bed early.

To day has been cold & windy! All of us with Mr. N.B. & Franklin Smith walked to Dunedin. Called on Whitfields. Bought cheese, crackers & cakes at Poosers & started to walk back but some man picked us up on this side of the bridge. Went to Dall on Nell this afternoon but she was not at home. Had a spat with the family about going to Underwoods. We went over to Bassos tonight & sat around a big open fire for quite a while.

Valentines Day! and it certainly does not seem so.

It is still cold. Stayed at home this morning and sewed. Went over to Miss Taggarts this afternoon to a two-tabled bridge party. I played with Mrs. Weiler the whole time and we got the biggest score. Then I cut for prize and I got it - a gray leather card case. We had awfully good things to eat. All by us went to Bellevue tonight ~~with~~ to the Charity Ball. Had the best time ever. Went down in the Grill Room with Mr. Starritt once & Mr. Maloney once the music down there was fine. Lots of gay folks down there and I liked it better there than upstairs. I drank only a glass of Poland water

A cold day and not much doing either this morning or this afternoon. About two o'clock all of us except father took the "jit" to Fargo. Mr. Goodman went too. Stayed there for about half an hour and then came on back to Clearwater. Walked down to public dock and then to a fine looking vacant house belonging to "Offord & Smoyer". Got four letters today one from Sarah Wall, Elizabeth, Clifford, and Faye. Mrs. Bass took us to the movies tonight. Saw 2 installments of "The Diamond from the Sky". The moon is almost full & is glorious. We did not go to Stewarts this time. Edith's friend "Polly" arrived tonight.

all of us with Mr. H. P. "Polly" & Mr. Goodman went over to Scharrars today. Took lunch which wasn't much. We took a walk after lunch thru the island & gathered lots of pine needles. Were becalmed on the way home & had to have fisherman tow us home. Mr. Child took all of us and the Rawsons to the movies tonight which were not very good. We all went to Stewarts afterwards. Mr. Malone was with me. We stopped by the bank to see Johnson on way back & then came thru Cooper's yard & sat on bench by bluff. Mr. M. is certainly nice kind & entertaining fine

Mr. Bass took Bits, Polly & me to Dunedin this morning in his car. Went up to Mc Clungs to get some turkeys & stopped by Poosers & way back for some groceries. Had a moonlight picnic over at the island tonight. The breakers were lovely & so was the moon. We had a grand spread. "Dude" & I walked up the beach for quite a way. After supper Mr. Guy & I went up the beach. He came home with me and stayed until eleven o'clock. I still think he is good looking & attractive and like him better than ever. I don't know why ——————

Worked hard most all day fixing my blue dress, but didn't like it very well after it was finished. Nothing exciting has happened all day. Mr. Starrett had planned a dinner party at Bellview but we couldn't have it. We went over (also Mr. Maloney) & played cards with Margaret & Stolty. Mr. Starrett & I won. Then we went down to the Bellview grill room had something to drink and danced until twelve o'clock. Certainly did trade a peach a time. Both Mr. Starrett & Mr. Maloney are nice and fine sports.

This has been rather a quiet day. Didn't get up until late & fooled around all morning. Mrs. Pearce phoned and wanted me to take dinner with Margarite Stoltz as she & Mr. Pearce were going to goner's to dinner. Just found us at the table Margarite, Wilmina & little Eugene. Had a good dinner & sat by fire & talked to M — for quite a while. Mrs. Aiken called up tonight & said I could have a horse for the concert tomorrow, but the folks were not willing to let me ride. Am going to bed early so I won't be too tired for tomorrow night.

all of us went up to Dun-
edin this afternoon on
the "jit". I went to Douglas
with Nell while the rest
went to the grove.
Saw Zimmerman boys. Con-
way asked for date but I was
going a the coon hunt.
Took supper with Nell
tonight and went to
Emersons to start from
there on the hunt. There
were 11 cars full a peo-
ple. I went in Starkett's car.
We went about 10 miles out
in the country. Made big
bon fires. Some hunted for
coons on horseback. Caught
one. Had ground floor at
12 o'clock. Some the
cars got stuck in mire
or wdey bank. Had a jolly
time with Nell, Mrs Dickson
Mrs. McClung. Came home at
1:30 - spent night with Nell

Washington's Birth day

Went down to dock this morning to watch Nell & Miss Taggart take a dancing lesson from Miss Hunt. Mrs. Weilder was there & she & I danced around too. Stayed at home this P. M and sewed for quite a while. Mrs. Child phoned up & said to come to Stewarts which I promptly did. Lots of people called this afternoon. Am rather sleepy & tired tonight and ready for bed. Too much event last night!

M. N. Rorris birthday

Walked around this morning with mama & Mr. Child. Called on Candlers & then went to watch Pits & Polly play tennis & played a little myself. Mrs Ross gave a little party this afternoon out at the island. We danced & some went in swimming. Had good refreshments & came home about 5. P. M. Nell is spending the night with me tonight so we can get an early start tomorrow for Passagrille.

all & me & Polly, M. H. D & Nell started this morning at 8:30 for Parsagille on the "Bea Mc" There was a stiff breeze all the way & the boat surely rocked. Had dinner at some French hotel & started back a little before 2 o'clock. Got home about 5:30. Mr. Lee, a clerk in the store, came in just before supper & of course we asked him to stay which he did. I took Mr. Harrell to Mrs. Yazzani's leap year dance tonight at the pavillion & had a mighty good time & Mr. S— was the man of the ball. M. Haley certainly gave him a grand rush. Came home about 12:30.

Went up to the station this morning with Nell + Lucie Heger to meet a girl who came in from Tampa on the 9:20 train - a friend of Lucie's. Then I went down to dock for Nell's dancing lesson + danced a little + [illegible] then went over to see Cornelia + Elizabeth. Jim, Pude + I played bridge until 12:30. This after noon a crowd of us girls went over to the island. It was awfully cold + rough there. Cahnders took a fine lunch along. Marguerite wanted me to go over to her house tonight to play cards but the [illegible] looked so I didn't go. Polly, Nell + I played cards here at the house.

Mr. Child hired a car this morning and took us to Freed Springs & around by Hoyt's place. He left this noon. Bits Polly & I went to Stewarts Club P. M. & then by Kyles to get the girls to go back to Stewarts. Only Elizabeth would go. It has been cold & windy all day. Mr. Hewitt evidently had to put off his dinner party to-night on account of Mr Maloney's illness. We went over to Bassos & sat by their big open fire.

Didn't get up until late this morning & loafed around until after dinner & Mrs. Hyde phoned for us to come down & tell Cornelia & Mrs. Smith goodbye. They left this P. M. Dude, Candace, Elizabeth & I took some pictures! We rote several letters and went walking with Dad about 5 P. M. We went to ride tonight with H. Guy, Nell, K. Johnson out to Green Springs, Bellview & back. Stopped in at Candlers on way back & stayed until 11 P. M. Then I came on home and Mr. Guy came on in & we sat in front of what remained of a once good fire until twelve o'clock.

Polly & I walked around all morning giving people messages for a very informal bridge party here tomorrow afternoon. We bought some Hershey's & we went on down to Stewarts. Met Nell & took her along too. Nell & I went on a calling tour this afternoon. Went over to Constantines, then to see L. Pfleger, & L. White. Went by D. Kip's office to get her electric iron, but she was not there. She came on home with me & we went over to see Mrs. Bass. Mrs. Bass's nephew arrived this morning. It's turning warmer. Thank goodness!

Chased around all
morning getting things
ready for the party
this afternoon. Had
just two tables of
bridge & we seemed to
have a pretty good
time. Played out on
the porch until late.
P. Drew won first
prize & L. Pfleger cut
consolation. Mrs.
Barr took the neigh-
borhood to the movies
tonight. Saw "Colorado."
I called up today to
inquire about Mr.
Mallorey & the woman
said he was better.

Spent the whole morning in cleaning up my room and the bath room. Discovered that I came sick this morning. Thank goodness I saw it in time. Went to a 14-Tabled bridge party this P. M. out at Mrs. McLungs. Every body from the cradle to the grave were there. Mrs Bass took us to the movies again to-night. Saw "Man or Money" and "The Diamond from the sky." Both reels were good. Am so tired tonight I can hardly hold my eyes open.

July could never be any hotter than today has been. Fooled around all morning. Went up town with mama to pay some bills. Nell left this noon & I sure hated to see her go. We all went down to see her off at 12:45. Tried to help wol all afternoon but did not succeed very well. Polly, Bits & I had supper with Mrs. Ross at the Sea a tonight. She took us to the movies. Saw "The Great Divide" and to Stewarts afterwards. Met up with Victor & he came on home with us. Am tired enough to sleep without rocking.

Have not done much all day. It rained pitch forks this morning. Justis Bass & Victor came. They stayed for dinner. I killed time this afternoon until 6 o'clock and then Mama & I went to the train. Elizabeth has at last come and maybe I'm one glad person to have her here. She's calling me now to come to bed so I'm going on.

We all walked to Bellaires this morning to listen to the music. Mr. Barker brought us back but he took us on up to Tarpon Springs. Elizabeth & I went uptown this P. M. to buy her a hat to go to Stewarts. Walked down on dock to see sun set. All of us & the Barnes went to the movies tonight. I saw "Old Dutch". We are going to bed early.

Have done almost nothing today except write to Clifford. It is warmer than yesterday, but is still mighty cold. Elizabeth & I have planned to go to Aberdeen by way of Atlanta but it will take lots of scheming to get there. I certainly would like to go. There are several attractions in Atlanta.

We went over to Shannon today. Breeze was so strong had to have two reefs in the sail. Had plenty of lunch. Dad & Bets went fishing but I did not but they did not catch a thing. Elizabeth & I ~~rode~~ rowed all around "Nag Island" & landed there & found nothing. We came home rather late, Mr. Bass towed us home because the wind was due south. Mr. Starrett called up about 8:30 to go to ride. Elizabeth & I had gone to bed, but like the good sports that we were we got up, dressed & rode around for quite a while. Malone, Bets & I sat in back seat & E & Starrett on front seat.

Didn't do much this morning except move from up stairs to the down stairs room. Mr. Starrett came about 2:30 for us to go to Indian Rocks. We had a nice ride and got back about four o'clock. He called up about six o'clock and wanted me to go to Belleview for dinner because his sister could not go and I went as an accomodation to him. Had a good dinner and we danced afterwards in the ball room until 10 o'clock. Then we went down to the grill room and stayed for quite a while. The claret lemonade tasted good & cured my headache

Elizabeth & I did not get up until awfully late this morning and when we dressed we went down to Stewarts for some drinks. Played with "Twinkle" after dinner until almost 4:30. We wrote letters to our Atlanta friends saying that we should be there the 15th of this month. Went down to Stewarts again and then for a nice long walk through "Harbor Oaks" etc. H. Hug called up tonight to make a date for L. Johnson & himself for tomorrow night. Mr. & Mrs. Pearce and Mrs. Wilcox came to call tonight. Elizabeth & I were not so highly entertained so we left to come in to bed. I am in the bath room with her now. She is scared to stay by herself.

Had to play tennis with Gilbert this morning & then I came back we found E. White here. She stayed for quite a while. In the afternoon Miss Taggart & Miss Pfleger called also Laura Margaret Stoppe. Mama brought them right on in the room where we were in our kimonas. Elizabeth & I went down to Delmonico to-night with Herman Guy & Louis Johnson. We had dinner in the Grill room. They took cocktails & we had claret lemonades. I think they must have had a little too much judging from the remarks and the way they acted in the car on way home. The chaperones did not agree with me & I stayed so late that I had to tell them to go.

The Atlanta trip is all off. Father put his foot down at it today. We all went to Greenwich this morning on the "jit". Went to the grave and ate so many blood oranges that we nearly popped. Elizabeth and I went to the Seaboard station right after dinner to see about reservations & on way back met Mr. Pearce. He took us out to his graves around to Green Spring & back home. The Constantine girls called this afternoon. Elizabeth & Hook W. Guy & K. Johnson to the movies tonight & to "Turners" afterwards. I think the whole bunch of us were sleepy. They went well satisfied and left at about eleven twenty.

We got up late this morning & did not do much anything. Went up there to do a little shopping & to Stewarts. This afternoon Miss Pfleger & Miss Taggart were going to have a picnic over at the island but it rained & we couldnt go, so we all went around to Miss Taggarts house, took our work and stayed all afternoon. We had a picnic lunch. I ate some cheese & coffee which has nearly finished me. If I don't hurry up & feel better soon I'm going to stop eating entirely. The party was given for Elizabeth but she was bored & wanted to come home all the time.

Had a little trip today over at the Dunedin landing. All present, also H. Jeury, D. Johnson, Dudley Elizabeth White. Some went in swimming before lunch, but it looked mighty cold. The dinner was a good one + every body seemed to enjoy it. We could not use our boat because the rudder had washed away. Hired a launch. We all came home about four o'clock and sat on our porch + ate oranges for a long time. L. Johnson had the "blues" + did not open his mouth all day. Went up town after supper tonight to mail some letters. We are going to bed early so we can get an early start for tomorrow.

We had a nice trip today to Tarpon + up the Anclote River. Mrs. + Miss + Richard Taggart, L. Pflager and all of us — also Geo. Emanuel made up the party. Geo. met us at the train + then took us to see the sponge exchange. He bought us Greek bread + a can of nice "candy." The river trip was beautiful. E + I took a nap while the others walked in the hot sun. Came back by alligator pond + Geo's house. Dude + Elizabeth came over to night. We played bridge and popped corn alternately. They left about eleven o'clock and believe me, I am certainly tired and sleepy this night.

Elizabeth & I loafed around this morning & packed a little. Ruth Taggart came and stayed quite a while. We went up town this afternoon to get some shoes for me but I didn't see a thing I liked. Went over to Seaboard station to see about trains. Mr. Lance Holmes took supper with us tonight but I don't think he had much of a good time. Mr. Bertram Allen brought a friend & his grandson to call, a Mr. Knight from Tampa. W. Guy came to call on Elizabeth. Mr. Allen & Knight left at eleven o'clock and I was not sorry because I'm still sleepy. The moon is beautiful.

In Tampa & on the train now! Elizabeth & I went up town this morning, down to the dock & then went to see E. White & Dude. Stayed quite a while. Lucie Pfeiffer came over soon after lunch and stayed until train time. The whole family went to station. Miss Taggart, Mrs. Maloney & Mr. Gunn were there too. Mr. Sterlett & Victor called up to say good bye. Hate to leave Clearwater but am glad to go too. Took supper tonight at the Tampa Bay Hotel. Some man wanted to take us up town, but of course we paid no attention to him. We wrote a few letters and came on back to the station as soon as possible

It was so cold last night that I did not sleep very well. We left Jacksonville this morning at 8 o'clock. Have passed through Savannah. Had lunch late & the waiter made us good egg nogg & we both felt fine. Wrote letters after dinner. Arrived in Aberdeen tonight. Mr. Page met us. Train was at least an hour & a half late and it was cold. Am glad to be here & back in old N.C. again.

St. Patrick's Day.

Then we went to the Academy of Music to see "The Birth of a Nation" It was perfectly fine and the music was splendid too. Left the theater too late to catch the train back so there was nothing to do but spend the night in Raleigh. Had no baggage of course and the way we had to come was a caution. M. at the Strand. Saw Molly McIntyre in Her Great Hour & we looked at hats afterwards but did not buy one. The weather has been perfect all day. Lovell & Ronnie Rhodes called tonight and they are queer kind of men, but are pretty nice at that.

I looked around this
morning. Knitted
until Mama made
us go out in the yard
to dig up dandelions
out of the grass. Went
for a ride this P. M.
on Lee. It was aw-
fully warm & he was
lazy. Went up by

Later on Alice Hazzard came with another boy by the name of [redacted]. Both of them seem to be very nice but Simms made more of an impression than Cotton.

I knitted all morning long after I had cleaned up my room. Dad sent a card out for us this afternoon and mama & I went out to the Country Club for a golf lesson. I took the ball right and have a flat blister as a result. I don't like the way Mr. Reynolds teaches near so well as I do Mr. Potts. We waited around the club house for about an hour for Dad to finish with some kind of a meeting but we finally went off without him. Its awfully dry & hot tonight

afternoon. Mr. Child
came for supper.
It he minded his
Sunday night sup-
pers here something
awful would happen.
It has become such
a habit with him.

This has been a mighty quiet day all around. It rained this morning and I did not do a thing but knit and loaf around the house. Medina and I went up town this afternoon to do just a little shopping. We went to the movies at the "Strand" and saw a good long picture — Mabel Taliferro in "Her Great Price." Came upstairs early tonight to write some letters. This has been just the same old kind of a day. Cold as Christmas. As usual I went up to the dentists this morning & for a wonder he did not hurt much. Had a golf lesson this afternoon but it was almost too cold to take one. Aunt Grace Whitford and Aunt Kate came around to see us for a while tonight. Just as soon as they left I came on up stairs as I dont feel very "peart" Tonight.

I did not keep my appointment with the dentist this morning & did not do much of anything else. Madelaine came up for me at 2:30 and we went out to the Country Club to play golf. We went around twelve holes and had a lot of fun at it. I am so glad I have a beginner to play with, I think we both had a pretty good time. Went up to the Auditorium tonight with Frank Netherlands to some kind of a High School Cantata - "Pan" I believe. We afterwards went to the candy kitchen & he stayed a while after we came home

The same old kind of a day! Went up to Dr. Sinclair this morning and he just killed me - more especially because I was nervous at one time I wept little tears. Madelaine & I went out to the club this afternoon to play golf. Went around thirteen holes and when we came back to the club house the dansant was on with full force. We stayed there all afternoon & had a good time dancing, drinking tea, talking etc. Ash mighty tired & am going to bed early

We met up with another party at Cravens Gap & they were going to the same place we were. We came back home by way of Mountain Headquarters Inn. Saw several people there that we knew.

Mrs. Child & Miss E. Child came over tonight and stayed for a little while.

Madeleine, Bill & I went shopping this morning and blew around considerably. We worked all afternoon getting ready for the picnic party tonight. It was some job too. Dad & I joined them at the "Galax" and "The Twin Triangle" which wasn't anything extra. Went to the Candy Kitchen afterwards for something to drink.

Francis came by for me at six o'clock to go for a horseback ride. Went up the Swannoa river road & up through Chemnis cove & through town. Bruce wanted me to go to the auditorium with him tonight but I had made a date with Pearl for the dance at Battery Park. Steve took Adelaide and we all went in the same car. Some little boys were here playing tennis, but it began to rain so they came in & we had a real jolly time. Frank M— came for me this afternoon about 4:00 to go horseback riding. It rained pitch forks. Was clear by six o'clock so we went out for a little ride anyway. Came up stairs early tonight but didn't stay long as I heard the melodious voices of Steve & Francis down stairs so I had to dress & go on down. They are two nice boys all right!

Went for a long horseback ride this morning with Steve & Francis. We went out to Skyland & back. Was mighty hungry & a little tired when I got back. Sure did enjoy the ride though, also the good company. The sand crowd were over this afternoon — Pusil, Winnie, Paul, Eleanor, Madeleine at Whitewood. After supper we all went to the [illegible] & [illegible]

I did not go to class this morning, but looked around waiting for the folks to come in the car. They finally got here. Mama, Nita, Winnie, Sarah & Eleana. I surely was glad to see them. They brought me a basket of peaches & a box of candy. They took dinner with me but left shortly afterwards on account of some engagements in Asheville. I played in a tennis tournament this P.M. with K. Seffert. We won — thanks to him. I was writing letters in the lobby tonight when Mr. Lee came over & suggested that we take a walk, so Gehrels, Hall, Lee & I went to the spring & sat on a bench down there until the lights went out.

There has not been much of anything doing this morning. Cut class again. It rained all afternoon & cut us out of a trip to High Top. About three couples were going. We had a card tonight though. Walked in to Black Mountain and started to see the movies but did not have time, just went to the drug store and right back I was with Mr. Lee & we walked every step of the way. The other couples had a lift of about a mile.

Went to church this morning. This is the singingest place in the world. I've sore throat from yelling so much. Five of the girls invited seven over to our table for dinner today. I had "Ford Leander" and there was also Bill Floyd, Chief Blevins, Jonah, Sgt Kinney, Mr. Lee & I walked to Montreat this afternoon and decided to take supper so we went to the hotel. Started back about 6:45 & made good time. I surely enjoyed it all. Twelve miles is no short walk.

I didn't sleep very well last night so I tried to make up for it this morning. The secretaries & our table waggs me to death about yesterday afternoon. They had some kind of "olympic games" & I was booked for one but did not go. Met up with Jonah & we walked to the spring & afterwards watched the games. I was to play Tennis with Zerfoss but our opponents were disposed. Attended vespers this evening & afterwards met Mr. Lee & we strolled for a while. Went to the soda fountain. Robbie Porter is over here for a day or two. Lord Landis is improving on acquaintance.

The glorious fourth! The dining hall was muchly decorated & we have had good things to eat. Tried to sleep this morning. Went for a little stroll with "Leander" just before dinner. Floppy came to see me right after dinner but could not stay long because we had gotten up a party to walk to High Top - Jonah Hill, Mr. Lee & I. We did it & it was some climb. We were just a little late for supper. All the different state delegations gave stunts tonight and they surely were killing.

I woke up this morning with a bad cold and have felt like the dickens all day. Mrs. Lee cut a class this morning and he & I strolled for a little while between [illegible]. Didn't eat any dinner but came on to my room & went to bed. The nurse came to see me & told me I had better go home. Tell phoned Mama to come for me and it did not take them long to get there either. I was put straight to bed when I came home & Dr. Jordan came to see me & of course prescribed some kind of vile medicine. Fever was up a fraction above 101. I surely did have a good time at Blue Ridge and I hate to rush off before I had planned to leave.

Have been in bed all day. Winnie came to see me this morning & stayed for a long time. Several people called up. I am lots better to day. Dr. Jordan came again but gave no more medecine. Adelaide asked me to dinner Saturday night. Florence Miller invited me to a bridge luncheon Sat. morning. J. T. Poisson made a date for tomorrow morning but I am not going to see him. Notes from Mr. Lee & Nell this P.M. Francis called up to make a date for tonight, but of course I could not see him as badly as I wanted to. Mr. Child came over tonight. He & the family stayed with me for a while. (Nell called up from Blue Ridge this morning)

I did not keep my date this morning. Got up for dinner & am feeling myself again. Went for a ride this afternoon in the car. We went by for Sarah & went for Miss Dahn but she was not in. met up with Farrar & he went around with us. Stopped by the store at six o' clock for Dad & about that time Frances came along so we picked him up too. All the family are going out tonight except Dad & me. I have to stay in and [illegible] mind

It has rained steadily all day & has been as horrid as it could be. I could not go to the bridge luncheon on account of the weather, in fact I did not go out of the house all day. Stayed at home & sewed this afternoon while the rest went to the matinée. Had tea after they came home. Winnie was here & he stayed for supper. Adelaide had to get home her dinner party. Francis called up about six o'clock. He came on out to see me later on. He surely is attractive. Mr. Lee called up from Blue Ridge and said he was coming to see me tomorrow.

another such a day as yesterday - one continual downpour. Did not get up until late. Mr. Chilly was here for dinner. Mr. Lee did not put in an appearance and the telephone is out of order, so I haven't heard a word from him. There was quite a few folks here - Whitefords, Bruce, Winnie, Basil Burline, Francis and Basil. Some of them stayed for supper. I wish it was not so stormy and that Mr. Lee could have come because I want to see & talk to him tonight. Billy Byrne strolled in for a while, but I was lonesome & came on up stairs early. I am going to see to it that the phone is fixed tomorrow.

It has all day long. I worked this morning & about noon Mr. Lee called up. He came over to see me this afternoon, and I surely was glad to see him. Winnie & Bits took us to ride. Went to Weaverville and back Mr. Lee & Winnie & Sarah took supper here & afterwards Mama took us all & Mr. Child to the "Majestic" to see Pearl White in "Her Own Money". It was a good show and I enjoyed it. Dad left for New York today. Winnie is going to stay with us while he is away.

Went up town this morning and on the way home I stopped in at Dr. Brigg's to have my nose treated. They did not do anything but hurt me and I came home feeling like the dickens. John Lee Brinn came to call this afternoon but he did not stay very long because I pretended I had to get dressed to go to a tea at Margaret Linns. I would like to have gone but I felt so blue. There were a crowd of folks playing tennis this afternoon. I took my sewing on the porch & watched them play. White for a Aunt Grace & the girls, Elizabeth Smith came over to see us tonight.

Went to the doctor again this morning to be filled some more. I am still puking pretty bad. Slept & rested the while afternoon. About five o'clock we got up a party to go to Highland Lake for supper. We telephoned Francis & Mr. Child & ordered up steaks at six o'clock. We had a good supper when it finally did come and left right afterwards to go & sit on the porch. We had a lovely moon light ride home and arrived about twelve o'clock. Did a world of fun. all day.

This has been a quiet day all night! Went to the doctors as usual this morning. Slept & knitted all afternoon. About six o'clock a crowd came out to play tennis. I took my work and went down to watch them play. A telegram from Elizabeth today wanted me to come to Aberdeen this week. Wish I could go. Mr. Lee called us today and said he was coming over to see me Saturday. Hope he does not forget about it.

Paid my usual visit to the doctors this morning & he hurt me lots today. I wonder when this cold will be cured. Went out to the Wrights place near Weaverville for a buffet lunch. It was chiefly a Clearwater reunion. We took Farrar & Eugene Branch along as escorts. We surely did have good things to eat. It was the first party I had been to in ages. Adelaide called up & wanted me to take lunch (dutch treat) with a crowd of girls at the country club tomorrow [illegible] I am going over to take dinner with Sarah Strough.

It still continues to rain pitchforks & no I am afraid Mr. Child's little dinner party at Mountain Meadows to-morrow with the young widow, Frances & me will have to be postponed. I took dinner with Sarah today & left rather soon after dinner. I expected Mr. Lee but he did not show up - on account of this everlasting rain. I suppose & the telephone has been out of order. I think that the man is a fool anyway. It makes me mad to think I stayed away from the matinee this P.M. thinking he was coming. I wrote four letters & did a lot of knitting. Child came

We all went to church this morning at Trinity. Afterwards we went down to look at the river at Bidgood and the whole village was under water & some of the houses were floating around. Then we went to the station as near as we could. The water was up to the second story. The trains were under water. There were boats all in the streets. Went to Jefferson drive for another view. All the factories were surrounded by water & some washed away. Houses & lumber, logs & cars were smashed & piled up against the concrete bridge. I have never seen so much destruction. We have a family of flood victims staying with us until they find work. Ruby & Mr. [illegible]

Asheville is entirely cut off from the outside world. There are no electric lights, [illegible] and the police department has confiscated all gasolene in town to run its ambulances etc. The paper this morning said the loss was estimated at $10,000,000 & many lives were lost in the flood. The sun shone today for the first time in ages. Lena Thuford was here most of the morning & stayed to dinner. Mr. Lee came out early this afternoon and spent the whole afternoon with us. We surely do enjoy Mr. Lee. Francis came by about supper time. We asked him to stay & eat. Mr & Mr. Lee were here for supper. All the rest of the folks went to the Majestic. M. & I sat on the porch &

Mr. Lee phoned rather early this morning and said he was going away this afternoon. He came out to see me about 11 o'clock and at 1 P.M. he and I went out to Grove Park for lunch. I enjoyed it all so much. Winnie came for us a little before three and we took him to the station. I hated to see him leave & have missed him. I think he's fine. Afterwards we went up to Battery Park. Got the whole Crain family & took them for a ride. Went to a card party at Whitefords tonight with Frances. Had a good time. Bob Denny called up while I was out & said he had walked in from Blue Ridge on Sunday.

I worked all this morning and knitted some too. Directly after dinner I came up stairs & slept until four thirty. Mama, Bits & Winnie went over to Lizzie's. Brought them over here for supper. Winnie gave a movie party tonight at the "Grand." We took Whitford's automobile with us. Saw Harold Lockwood in "The Masked Rider." We have no lights yet and it still continues to rain. The flood victims that we were caring for left yesterday afternoon.

Chased around all
morning in the car
looking after our flood
family. Didn't have time
for much else except
a little knitting. Pits
and I wanted to play
golf this afternoon and
got almost out to the
country club and it
began raining as
usual. Mr. Child took
supper with us and
afterwards we went to
ride out on the Hender-
sonville road. Stopped
by the drug store on
the way home and got
something to drink.
J. Elliott called up
tonight and kept me
talking for about a
half hour.

Worked most of the morning in the attic trying to straighten up things. Got dressed to play golf again but it rained as usual. I needed a little exercise so I walked over to see Margaret Linn & the Millenders but they were not at home. Bruce called up to say that he had come to see us last night while we were away & asked me to go to the dance tonight but I did not want to go. We stopped by for Floppy and Mac took a little ride out on the Hendersonville road. We wanted to ask him on a trip tomorrow to Highlands Lake.

Bits and I played tennis this morning for a while with Lanie Hallsten & Frances Turnbull. A car full of folks — whitepaint, E. Smith, Al, Pearl, Winnie, Mama, Bits & I — started to Highland Lake this afternoon to take supper & stay for the dance. We got just this side of Hendersonville & the roads were so bad we turned back, ate our supper at Fletchers & came on home. We were all sleepy. Steve called up and came out & joined our crowd. We stayed a little later than the rest of the party. I don't think my supper agreed with me very well.

Mr. Child phoned early this morning that he wanted to have his party at Mountain Meadows in spite of the threatening weather and bad roads. Francis, the widow, Mr. Child & I rode up for dinner & got there just before a heavy rain. We had to wait until five o'clock to start back home. We had a nice ride and I enjoyed the whole day. Found Irma here when we came back. Francis did not stay for supper but he came over afterwards. He's nice all right and I surely do like him. Frank was here too but I did not see much of him

George L. was here this morning

We took Sarah & Madelaine out to see the Merrimons this morning. They were all at home and I like every single member of that family. This afternoon Madelaine, Mama, Bits & I tried to play golf but we got as far as the third hole & it began raining pitch forks and we had to hurry in. Such golf I have never seen! Had a date tonight with Francis and he is so fine. I had instructions to call time at eleven. I did, but not exactly on time

I did not do much of anything this morning but stay at home and knit. Mama & I went on a calling tour this afternoon. Went to see Helen Chesbrough & her mother, the Burdines, Nemingers, Lily Tryon, Hazzards and one or two other places. Didn't find but two people at home. Met up with George after we made this first call & he would ordered with us. Winnie & I went over to the Mona tonight to the opening ball. There was a mob of people there mostly strangers. We didn't have much of a time. I thought Willie Pruit & George might fall asleep most any time

I worked pretty hard this morning. Teage came over & stayed for quite a while. All the folks went up town but me. Madeline & I wanted to play golf this afternoon but it looked too threatening to even start. Went up town & over to the dress maker's. It rained very little today. Went up town again for some pictures, Kodak book etc. Came up stairs early tonight. Wrote long letters to Nell and M. Lee.

Madeline & I went out to the country club this morning and played 9 holes of golf. I am glad to say there was some improvement over last time. This afternoon Betty & I went to a card party over at Elizabeth Chapman's. We had an awfully good time and we surely did have dandy refreshments. Mama & Winnie came for us in the car and we filled it full of folks and took them home. Mr. Child came over tonight and stayed for ages. It did not rain today for the first time in I can't tell when. It has looked threatening just the same

George was here all morning
when he got ready to go I
dressed and went up town
with him to get a marsh-
mallow sundae. This
afternoon we went to the
movies at the "Galax. Last
Evelyn Blackwell in "Sally
in our alley." It was very
good. Tonight Sarah &
gave a little informal
dance. George took me
at least 5 took him
since it was a leap year
affair. Certainly did
have a good time
- just a small congenial
crowd.

Went up town early with Winnie to get gasolene which was watched and the car did not run well & had to walk up Patton ave. in my bed room slippers & catch the street car home. Lex & us girls went to the matinee this morning at the "Galax". Saw Wallace Reid in "The Selfish Woman". We all went to Barbee's afterwards. This afternoon I took a long ride with Francis up the Swannanoa river to see what damage the flood had done. When we got home we found a kind of dinner party going: Georg & a friend of his & Mr. Child - Francis came in in and took supper with us. Mr. Child took the whole party & Sarah to the majestic to see "Stick in".

Mr. Child had a theater party afterwards & took us all to the Majestic to see "Fine Feathers" The stars of that stock company have left so the play was not quite as good as it might have been

Nothing but work this morning to get ready for Aunt Josephine & Frank. They were to come on the ten o' clock train but it was three hours late and we had to hang around the station most that time. Finally they came. Dad came home from New York yesterday so Winnie is not staying with us now. Ed Miles took me to the Battery Park dance tonight, but it was rather a sad affair I thought. There was a lot of people but mostly strangers and lots of the little boys were there. I shot pool for quite a while with Billy Quirins & Bill Reynolds. Had a good time at that.

We played cards for a while tonight and came up stairs early. I am rather tired.

I have been on a fine all day trip to day. Mr. Child took Frances, Miss Carter & San Antonio & myself Sep to Mountain Meadows for dinner. We took an old road Lee stumbled and I went over his neck, bumped my chin a bleed - no injuries except a headache. We had to wait an age for dinner. He cast a shoe & the horses walked all the way home just to pose about because they didn't want to leave me behind. Lots of boys & a few girls were here when I got home. They soon left and there was nobody extra for supper & kept Mr. Child. Winnie has a bad cold & he is here with us until

I sewed as hard as I
could all morning. -
Paul Robeling postponed
his Highland Lake party
for this afternoon on ac-
count of rain. Aunt J. -

We got an early start this morning and walked up to the top of Craggy It was a walk all right but it was well worth it. The views were grand except a little hazy but all the same the mist was interesting to watch. We had lunch on top & walked down in the afternoon. The moon was only a crescent tonight but it was so bright. It was a glorious night but we went to bed comparatively early because we were all pretty tired. Mrs. Brank has fed us well & we eat all right.

Sarah, Frank, Ikey & I went to the orchard early this morning to pick up some apples to make some cider. Made five gallons & it tasted good too. Then four of us walked up to the White Cross Mountain to get the fine views from there and believe me there were cool breezes too. We started home soon after dinner. Then we went to a card party at Isabels. It was a large affair. I was tired but had a good time. When I got home I found Paul Robeling, Julius Homer & Mr. Child here for supper I wasn't so crazy about seeing them but it was right much fun anyway. Had a date with Ricky the rest of the folks went to the movies but Mr. Child sat on us for some time. When they came back they took Ricky & me for a ride out as far as Weaverville

I sewed all morning long. Paul R- wanted to get up a party to go to Archeville School this afternoon but we didn't want to go, so the nut asked me to go horse back riding with him. We went on top of Sun Set mountain & home by Spook Branch & Beaver Dam. I didn't want to go because I had so much other work to do. It came on in to supper after we got home & stayed for quite a while. Yes! but I got sleepy & tired.

Paul A- was here most of the morning but I was entirely too busy to go down stairs. About 3:30 this afternoon four or five cars of young people went out to Asheville School lake for a swim & picnic supper. It looked awfully much like rain about supper time so we decided to go to the Morrison house in West Asheville & eat supper in their back yard. It's a good thing we did because a thunder storm blew up in a few minutes. We played cards & waited until the worst part of the rain was over with & then came on home. Some of the crowd stayed here for quite a while.

The usual amount of sewing this morning. Mrs. Brandon took all the folks to the movies this afternoon but I couldn't go because I had a date with Dicky to go horseback riding. We went over in the Chunnis cove to the river road, up through the Kenilworth property & home again. Certainly did enjoy it. We all went to Fields Minstrels tonight at the Auditorium. They were as good as usual and I always enjoy seeing them.

Aunt Josephine, Mrs. Brandon & I went to church at Biltmore this morning. Late this afternoon Phil came over & we all went over to the hospital to see Hoge. I fed him his supper. We came on home & got Aunt J- Mrs. B- etc. & took a ride out to & kitchen & back. Had a date with Chij tonight. We took a little stroll around Cumberland Circle & then sat in the house the rest of the evening. It is so cold we have had a fire in the house most of the day

We went up town this morning and shopped the whole time as hard as we could. Its tiresome work too. This afternoon all the folks went to ride but I was expecting Sarah to come over & sew with me so I didn't go. Cousin Lee & her husband came to call. Played bridge tonight for a while & had come in up stairs when the phone rang & Steve said he & Ickey were going for a moon light horseback ride & wanted me to go. I did & believe me it was the prettiest ride I have ever taken. We were out until eleven & it was so pretty I didn't want to come in. Can't wait for my

Adelaide came over this morning to get me to show her how to put on cuffs to her sweater. I had to go up town early this afternoon to try on a dress & from there I went out to the Millenders to a bridge party. I surely did have a good time too. We only played two rubbers the whole afternoon. Margaret Linn won first prize & I won second. She beat me by just two points. The refreshments were fine. Had a date with Jeff ~~to~~ night.

Aunt Josephine & I went up to Brock's this morning and had our pictures taken. It was hard work & I hope for all that I will get at least one good one! He kept us each an hour. I stayed at home & sewed all ~~morn~~ afternoon. Played bridge with the family a little while tonight and came on up stairs to write letters. It is not late now but I'm sleepy anyway & ready for bed.
